Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Sunday 03 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with sunny spells and scattered heavy showers.

Today:
Heavy rain and severe gales over the Northern Isles clearing later this morning. Sunny spells for most parts, and many eastern parts starting dry, but showers already in the west moving east, some heavy with hail and thunder.

Tonight:
Further showers in the south and west, and remaining windy in the north. Else, becoming dry with clear spells developing.

Monday:
Another day of sunshine and showers, heaviest and most frequent in the north and west. Wet and windy weather arriving in the south-west during the evening.

Outlook for Tuesday to Thursday:
Rain, heavy at times, with coastal gales affecting England and Wales on Tuesday, drier elsewhere with isolated showers. Becoming warmer and more settled away from the far northwest from Wednesday.
